11TH INTERNATIONAL RANGER FEDERATION WORLD RANGER CONGRESS 2027

OVERVIEW OF EVENT CO-HOSTS:

INTERNATIONAL RANGER FEDERATION:

The International Ranger Federation (IRF) is a non-profit organization established to raise awareness of, and support the critical work that rangers do in conserving the world's natural and cultural heritage. Founded in 1992, the IRF has members from over 50 countries. The organization is a federation of ranger organizations. The objectives for which the organization is established and maintained shall be, but not be limited to:

- The IRF will advocate, provide evidence, and assert the relevance and value of rangers at every opportunity.
- The IRF will establish and strengthen a world-wide network to benefit our members.
- The IRF will Enhance our internal capability, capacity and leadership.
- The IRF will be financially sustainable and resilient

SINDICATO DE GUARDAPARQUES NACIONALES DE LA REPÚBLICA ARGENTINA:

Established in 1990 and recognized by the National Government, SiGUNARA has undergone a significant resurgence in recent years. After a period of inactivity, we have revitalized our efforts to unite and represent the majority of Argentina's National Rangers across the country. As a dedicated union, our primary goal is to protect the rights and interests of rangers, while working tirelessly to enhance their careers and working conditions. Our expertise and representation have earned us a trusted position, with the National Parks Administration frequently seeking our input in key decision-making processes.

SIGUNARA's main objectives:

- That national park rangers work with dignity.
- Have a corps of professional National Park Rangers.
- With a career system within the profession, promote the necessary training.
- Enhance the ranking of the institution that hosts us by strengthening the National Park Ranger Corps.
- Conserve protected areas in the best possible way.

IRF WORLD RANGER CONGRESSES

The IRF co-host a World Ranger Congress on different continents every 3-4 years, bringing together rangers from around the world who are involved in the protection and conservation of natural, cultural and historical sites.

11th IRF WORLD RANGER CONGRESS - 2027

The IRF, together with Sindicato de Guardaparques Nacionales de la República Argentina (SIGUNARA), present the 11th IRF World Ranger Congress to be held in Puerto Iguazú, northeast of Argentina from 19-23 April 2027. The Congress will attract over 800 ranger professionals and conservation workers to discuss topics of common interest and concern in an international networking and professional development event.

CONGRESS THEME

RECOGNISING RANGERS: ADVANCING THE PROFESSION TO SAFEGUARD OUR FUTURE

The theme "Recognition for Rangers: Advancing the Profession to safeguard our future" highlights the critical importance of acknowledging and supporting the vital work of rangers worldwide. As the frontline defenders of our planet's most precious natural and cultural resources, rangers play a crucial role in conservation, wildlife protection, and community engagement. By advancing the profession, we can ensure that rangers receive the recognition, training, and support they need to effectively protect the planet's biodiversity and cultural heritage. This theme emphasizes the need for improved working conditions, better equipment, and enhanced training opportunities to empower rangers to carry out their challenging work with confidence and effectiveness. By recognizing the value and contributions of rangers, we can work towards a more sustainable future for our planet and its inhabitants.

CONGRESS OBJECTIVES

- Give recognition to the profession and skills of rangers at local, national, and international levels.
- Share challenges faced by rangers and sharing of best practice.
- Identify on-the-ground solutions tailored to regional and global challenges.
- Strengthen the global ranger community of practice.
